Foreword

The school year 1962-'63 at FVHS has been one which all of us as students can and should be proud. Our accomplishments are a standing record of our abilities in athletics and literary events. This is the challenge to all students who walk our halls—"Uphold the established name of Fort Valley High School."

To award this person a mere yearbook is but a minor demonstration of our appreciation for the unselfish services rendered. We dedicate *VALLIHI '63* to . . .

Mr. Sims makes a few suggestions to Joe concerning his future lamp.

In one of his shop classes Mr. Sims shows some of the boys how to save fingers.

Superintendent's Message

Members of the Class of 1963:

Class after class, I have watched young men and women complete high school and step across the boundary of graduation to an adventure of full excitement and new joys and sorrows. In this book you are looking once backward before turning ahead with hope and courage.

I speak for all your teachers and friends when I say that the future can be bright if you will build on the finest you have been taught. With confidence in the truths you have learned, add accomplishment to your life. Never fail to apply to each new task all the industry and determination of which you are capable.

Sincerely,

Ernest R. Anderson, Superintendent

In the foreground, to the right, stands a statue of William M. Barry on a tiered pedestal. The statue depicts a man in a military uniform, holding a sword. The name "BARRY" is inscribed on the front of the pedestal. To the left of the building, there are large, leafy trees. In the lower left foreground, a group of people is walking. The sky is bright and clear.

The Key Club is a boy's service organization sponsored jointly by the Kiwanis Club and the high school. It is composed of 16 boys from the sophomore, junior, and senior classes.

During the last year the club sponsored such annual projects as the publication of the "Vallihi," the keyhole programs, five school assemblies, Parish House parties, Parent-Teachers Banquet, School-Leaders Banquet, and the *Greenwave Directory*.

Annual Staff

For the past school year, it has been our opportunity as the annual staff to edit this 1963 edition of the "Vallihi" annual. The material of this publication is here merely to inspire your memory of the past year at FVHS. To completely accomplish this is impossible, due to the many outstanding events that take place under our school's name each year. This annual is your book, because it is a book of you and your high school activities. It has been our pleasure over the past year to be custodians of your works. The purpose of "Vallihi '63" is to remind you in pictures of the school year '62-'63 at Fort Valley High School. We express our deepest gratitude for an enlightening experience.

In Our Memory

JOHNNY BRADSHAW

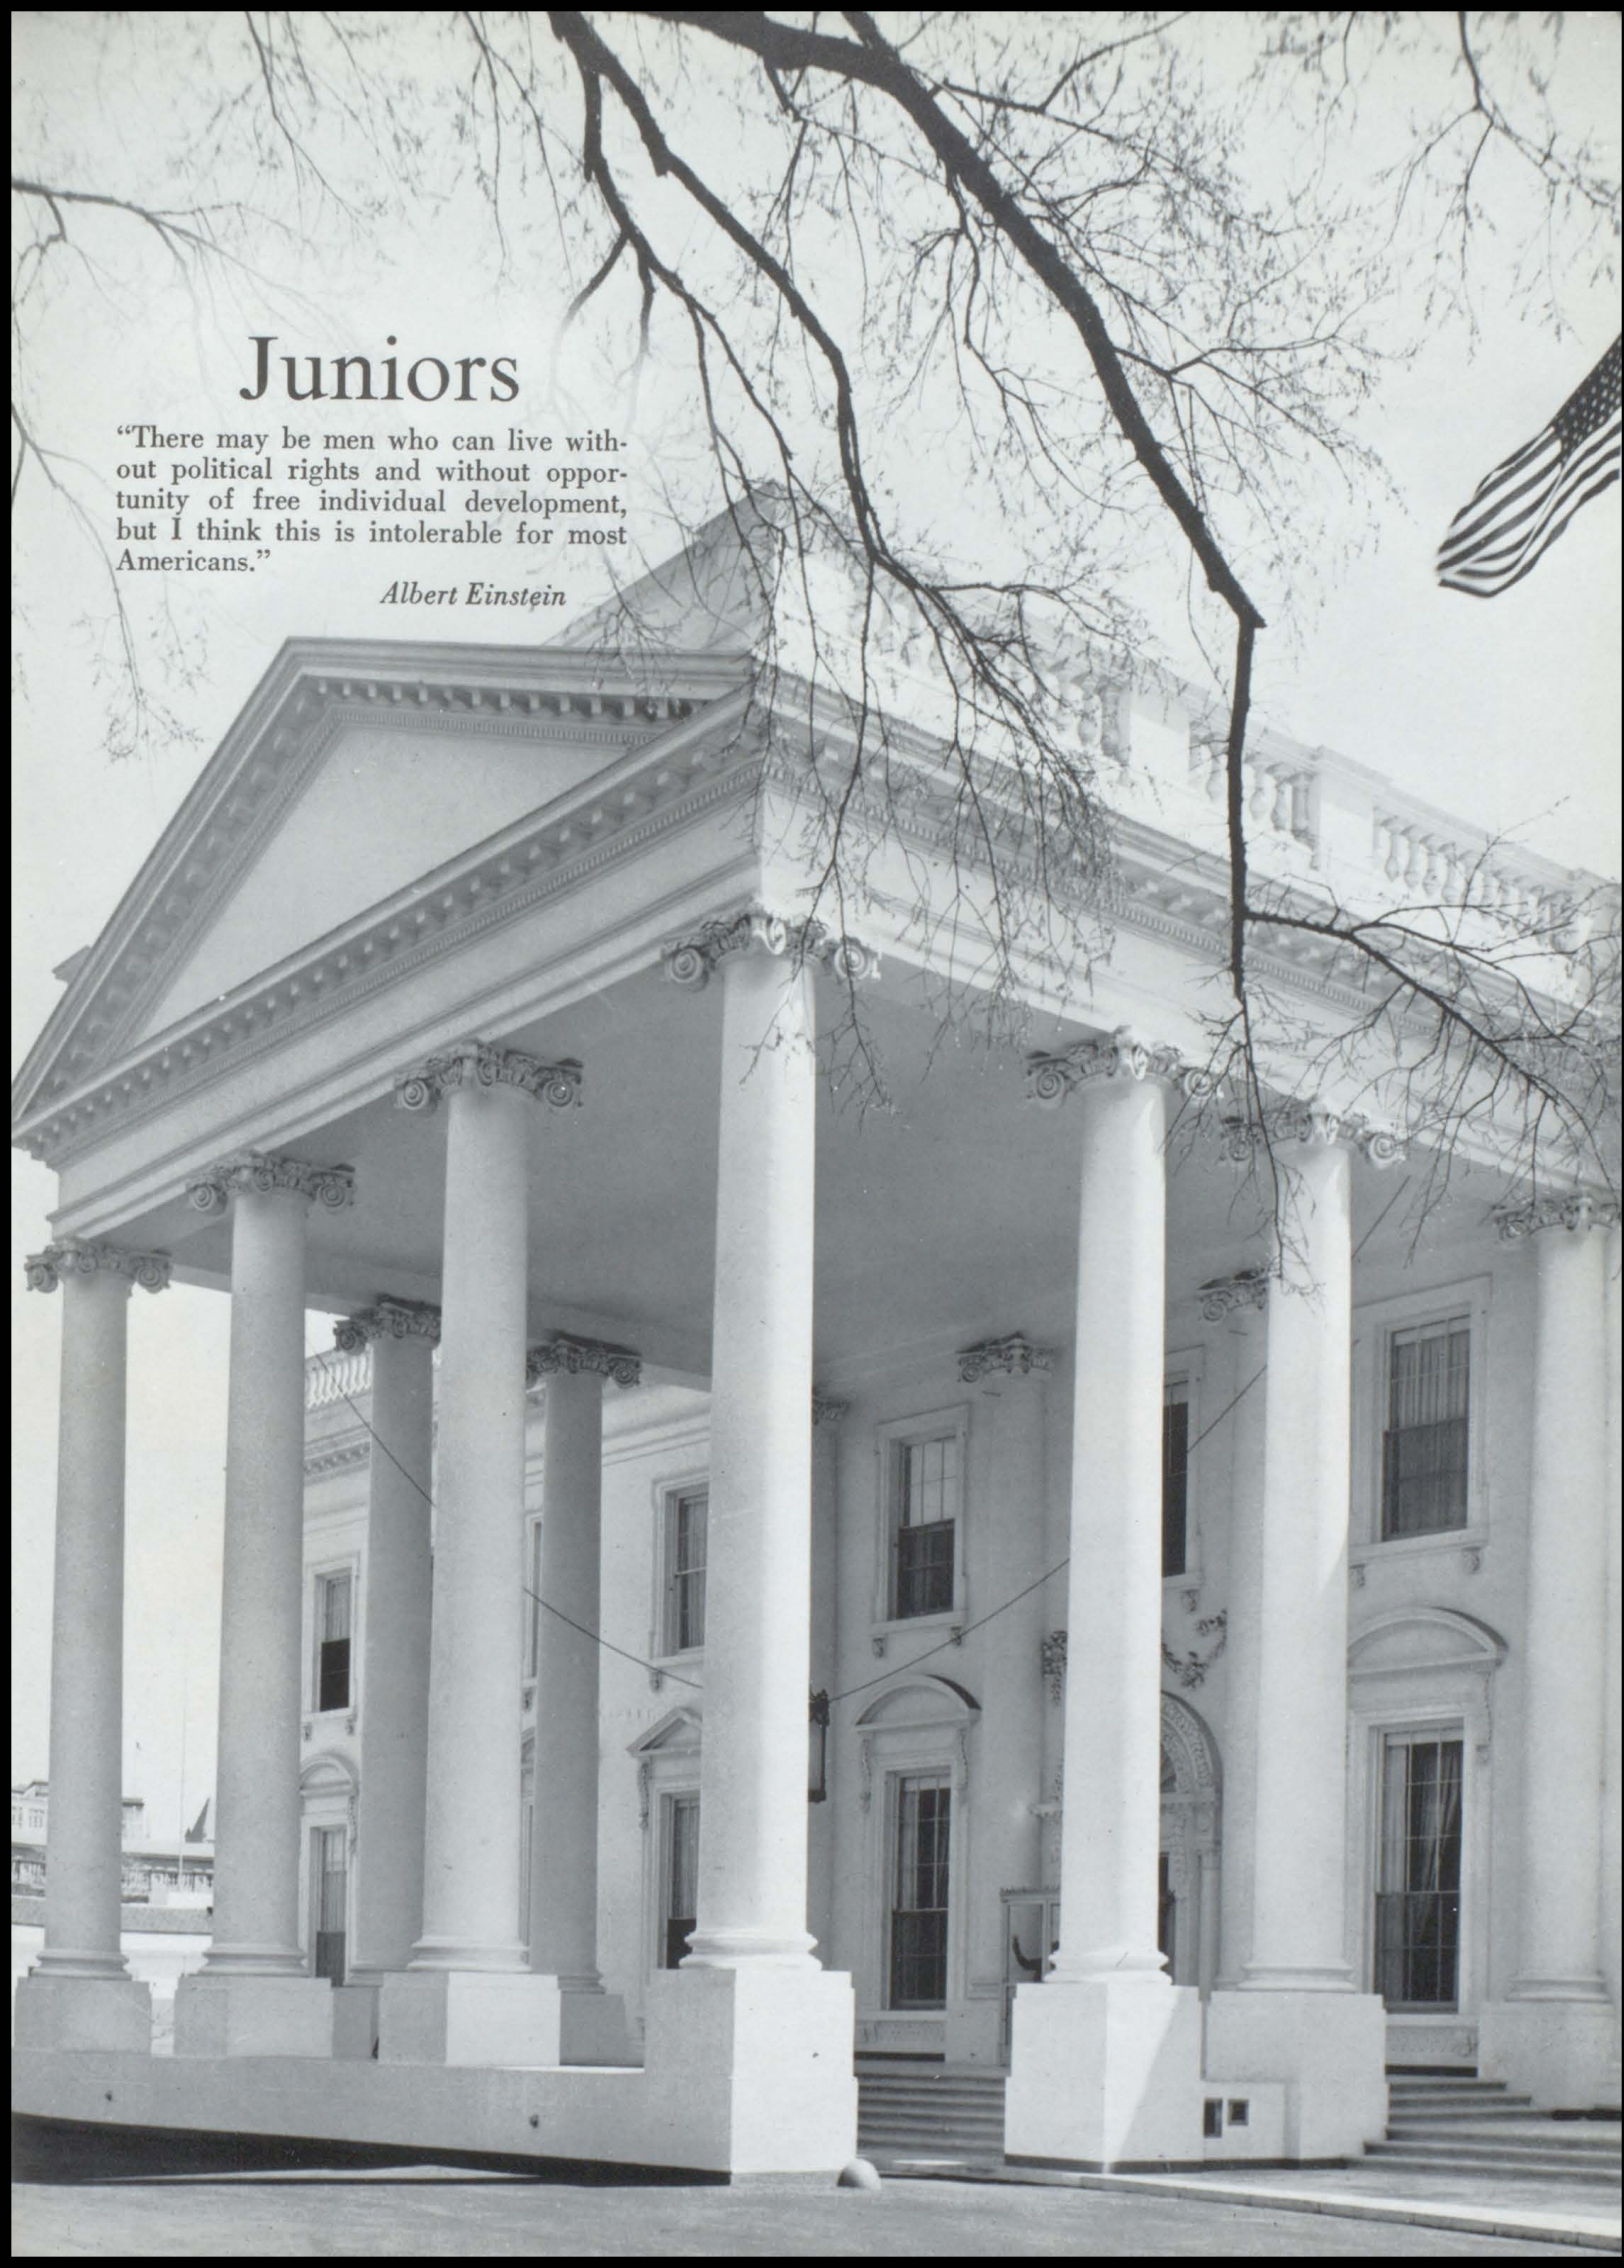

On October 20, 1962, Fort Valley High was left with a tragic but ever lingering memory. Johnny Bradshaw, a graduate of the Class of 1962, was a glowing example of the ideals of Fort Valley High School. His participation was invaluable in sports and simply in his presence.

As he left he took a part of the school with him and he left a part of himself with FVHS. We will never forget the years he spent with us although they were numbered.

Autographs

Frances,

Well, kid we have finished another ~~two~~ years. This means we have two more to go. Just think in two years we will be out of this high school. Frances I am not going to say it has been nice going to school with you for that would be a stupid thing to say since we grew up together and have been together all our life. I can tell you one thing and that is when we are separated after high school I promise I will never forget you. When I say separated I mean when we go to college we will not be as close as we are now. I know we have had our fights over David but I am glad to say we didn't end up hating each other like everybody else would. Well I want to wish you the best of luck in everything including Heme.

Love You,
Judith B.

sure some together. I'll tell you one night we've lots of fun. Frances, we can say we've had like Macan's thing I want to know how you're doing. I better this year's 21st HS so let's see. Loads of love to you! (David)

Autographs

Frances,
You and I have always been friends but this year, I think we have become much closer than ever before. We've had a lot of fun together. We're not of the silent type of fusers. Now, we have no cause to dislike one-another because I'm satisfied with the way I have while you're still trying to persuade a certain guy I want to wish one of the sweetest and cutest girls I know all the luck and happiness she can possibly have.
Love always,
Nell

Frances,
It sure has been fun having Alford with you this year. It also has been fun having home room with you. Mary will go through Alford this year. With your brains and my know how we should get by some how. Stay sweet as you are and everyone will always like you, especially me.
Your friend always
Barney

Frances,
Well, I'm trying to think of something to say to you but I can't think of a thing. Maybe we aren't as close as we use to be but I still think you a mighty fine girl with some "good looks". We sure are missing you in Marshallville ("Hick Town"). It's kind of dead these days since everybody's moving out but I won't blame them. I guess it'll never be completely dead with Bar there.
Here's wishing good luck in everything you attempt to do. (THAT INCLUDES BOYS).
Love ya,
Pat

Frances,
Well, we've
ending another year. We've
like memories. I'm glad you
and full of memories. I'm glad you
it full of memories. I'm glad you
gotten this year, and I'm glad you
a great girl. I won't forget our
personality. I won't forget our
one great friend. I won't forget our
you. I won't forget our
Big kisses. I won't forget our
Love,
Lots of love & luck,
Jerry

Frances,
It's been fun being in Latin
with you. You're a real sport and
real cute girl. I say the way you
are we all love you that way
Love
Bobby
